Hi Kevin,

I do not have any new information. The rule package is outside of my office and I do not have any way to track it.

I understand that you are receiving questions on the status, but I do not have any updates. If and when I hear anything, I will let you know.

Thanks,

Lisa

Lisa,

Can you please provide me with an update of the North Dakota Class VI primacy application? I have been fielding questions regarding the status of the application. The North Dakota Legislative session has begun and I may need to provide an update to the legislature.

Thanks
